

CITY OF MILWAUKIE

CLASSIFICATION: FINANCE - IT DIRECTOR

Department: Finance

Grade Number: 4

FLSA: Exempt

Location: City Hall

Management, Supervisory, Confidential Group

EEO Category 1: Officials and Administrators

DESCRIPTION:

Provide leadership, management, direction, planning and goal setting for the City's Finance Department, Information Technology (IT) Department and Court Operations to ensure delivery of quality municipal services. The Director is responsible for strategy and planning for all financial, IT and court related issues facing the City. Conduct special projects as assigned by the City Manager.

This position works under the general supervision of the City Manager. As a member of the Department Director team, this position has direct input into City policies and procedures and advises the City Manager on related issues.

DUTIES AND RESPONSIBILITIES:

(Tasks listed are intended to be descriptive and not restrictive. An employee in this classification may perform any of the tasks listed; however, these examples do not include all the tasks which an employee may be expected to perform.)

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Provide leadership through planning, organizing, directing and supervising all activities of assigned departments to achieve goals within available resources related to the City's financial, court and information technology operations.
2. Study and standardize procedures to improve efficiency and effectiveness of assigned operations. Coordinate department activities with other departments and agencies as needed.
3. Plan and organize workloads and staff assignments; train, motivate and evaluate assigned staff; review progress. Has authority to hire, evaluate performance and take corrective action as needed. Review reports prepared by staff for completeness and accuracy.
4. Advise the City Manager, City Council, Department Directors, Boards, and Commissions on Finance, IT and Court matters, including providing recommendations as needed. Respond to requests for information from the City Manager, Council, Boards, Commissions, and other staff.
5. Prepare and administer department budgets based on staffing and resource requirements, and program objectives and goals. Monitor budgets to ensure compliance with approved budget levels and standards.
6. Responsible for timely completion and accuracy of the City's budget and audited Comprehensive Annual Financial Statements.
7. Responsible for preparation of financial forecasts, issuance of debt, preparation of rate analyses and financing of capital improvements.
8. Responsible for development and implementation of the City's financial policies and City's strategic financial planning.
9. Responsible for Risk Management function including coordination with City insurance agent, claim processing, and program policies and procedures.
10. Coordinates and administers the City's insurance coverage for liability, loss recovery, property and asset damage, and other forms of loss prevention.
11. Responsible for management of City Franchise agreements, including agreement renewals and new market entrants, solid waste rate setting, and ensuring program accuracy related to franchise revenues and expenditures.
12. Ensure integrity and accuracy of the general ledger and subsidiary ledgers.
13. Ensure appropriate system of internal control within all City finance functions.
14. Maintain budget expenditure controls.
15. Prepare or ensure preparation of periodic financial reports.

16. Ensure the City's budget, accounting systems and reports are in compliance with all appropriate legal and regulatory requirements and Generally Accepted Accounting Principles for municipal agencies; assist with the development and implementation of accounting and internal control policies and procedures; ensure adequate security for all financial assets.
17. Ensure all City purchases comply with adopted contracting regulations and procedures.
18. Maintain positive public relations with customers and respond timely to internal and external customer needs.
19. Develop safe work habits and contribute to the safety of self, co-workers and the general public.
20. Perform other duties as required.

JOB SPECIFICATIONS:

(Job education and prior work experience requirements are minimum standards. Other equivalent combinations of education, training, and experience which ensure the ability to perform the work will be considered.)

Education:

Bachelor's degree from an accredited college or university in Accounting, Finance, Business Management or closely related field required. Masters of Business Administration preferred. Certified Public Accountant (CPA) and/or Certified Management Accountant (CMA) preferred.

Prior Experience:

Eight years of progressively responsible related experience, including three years in a leadership role.
Experience in public sector preferred.

Knowledge of:

- Management and supervisory practices and principles.
- Fiscal management, including budget preparation, expenditure control and record keeping.
- Financial projection and modeling techniques.
- Debt financing theories and principles.
- Generally Accepted Accounting Principles (GAAP), Government Accounting Standards and Oregon Revised Statutes including concepts, principles and practices of municipal finance administration as they apply to budgeting, investments and financial reporting.
- Local, State and Federal laws governing revenues, expenditures, public contracting, budget law, urban renewal and other economic stimulus programs.
- Computerized accounting systems.
- Risk management concepts.

Skills and Abilities to:

- Plan, develop and implement fiscal management policies, procedures, and systems.
- Manage debt financing.
- Prepare informational analyses and perform problem solving to evaluate large amounts of information to formulate decisions and recommendations.
- Make effective presentations.
- Maintain effective accounting procedures.
- Treat people with respect; inspire the trust of others; work with integrity and ethics; and represent City values.
- Develop and oversee complex budgets.
- Develop goals and long range planning.
- Analyze and evaluate departmental operations and develop and implement plans to improve operational efficiency.
- Ensure the preparation and analysis of comprehensive and technical reports.
- Manage investment programs.

FINANCE DIRECTOR
PAGE 3 OF 3

- Manage multiple projects, often within tight timeframes.
- Establish and maintain effective working relationships.
- Work as a team member and cultivate a team climate.
- Perform the essential functions of the job.

Special Requirements:

- a) Must possess, or be able to obtain by time of hire, a valid Oregon or Washington State Driver's License.
- b) Must be able to pass the department's security clearance standards including review of driving record.

Supervision:

- a) This position has full scope of supervisory responsibility over assigned staff. Assigned staff includes Assistant Finance Director, Court Operations Supervisor and Information Technology Manager.
